 **YES on 6**

Prop 6 prioritizes rehabilitative programs by abolishing forced labor in California prisons and jails, upholding human rights, reducing recidivism, saving costs, improving public safety and promoting successful reintegration.

 **YES on 32**

Vote Yes on Prop 32 to raise California's minimum wage.

 **YES on 33**

Vote Yes on Prop 33 to expand local governments' ability to enact rent control.

 **NO on 36**

Vote No on Proposition 36 to stop the prison spending scam.

Prop 36, a prison spending initiative, is an extreme measure that will cut hundreds of millions of dollars from trauma recovery services for crime victims, programs for K-12 schools, and mental health and substance use treatment programs—and instead send that money straight to California prisons.

Disguised as a way to curb retail theft, the measure will impose draconian criminal penalties, including possible prison time, for low-level offenses—returning California to an era of costly mass incarceration and dangerously overcrowded prisons.
